East Multnomah Soil and Water Conservation District 2024 Partners in Conservation (PIC) Grant Review Committee Meetings

The East Multnomah Soil and Water Conservation District (EMSWCD), which serves all of Multnomah County east of the Willamette River, will hold meetings of the Partners in Conservation (PIC) Grant Review Committee on March 15th, 18th, and 20th 2024.

The purpose of the PIC Grant Review Committee is to review grant applications and recommend funding awards for EMSWCD's Partners in Conservation grants program. In December 2023, the EMSWCD Board approved the appointment of 13 community members, and Board members Mike Guebert and Jasmine Zimmer-Stucky, to the 2024 Partners in Conservation Grant Review Committee. The Committee is designed to include individuals from the community with diverse professional backgrounds, lived experience, and relevant expertise. Find the list of Committee members and read a short description of their personal and professional backgrounds on the EMSWCD website, [here](#).

The 2024 PIC Grant Review Committee meetings are open to the public and all persons interested in the work of EMSWCD are invited to join. These meetings will take place this year at the EMSWCD Office:

Sustainable Agriculture and Community Gardens Focus Friday, March 15, 9 a.m. to 1 p.m.

IN-PERSON at the EMSWCD Office: 5211 N. Williams Ave., Portland, Oregon. [Directions](#).

Water Quality, Habitat Restoration and Conservation Education Focus: Monday, March 18, 1 p.m. to 5

p.m. IN-PERSON at the EMSWCD Office: 5211 N. Williams Ave., Portland, Oregon. [Directions](#).

The East Multnomah Soil and Water Conservation District (EMSWCD) is a unit of local government whose mission is to help people care for land and water. The EMSWCD is led by an elected board of five directors and works entirely on a voluntary, non-regulatory basis with landowners, land managers, and other residents east of the Willamette River centerline in Multnomah County. EMSWCD's work is geared toward keeping water clean, conserving water, and keeping soil healthy.
